

Giving to Centraide means choosing to leave no one behind.

At the heart of its mission, Centraide aims to reduce poverty and exclusion, and to act on social inequalities. Did you know that, in the regions of Capitale-Nationale and Chaudière-Appalaches, **1 out of every 5 people** use the services offered by the 225 local agencies supported by Centraide, a total of nearly 200,000 people? Giving to Centraide means making a donation with exponential effect, making a concrete impact and showing solidarity with everyone. **Giving to Centraide means leaving no one behind.**
